

Onyx Collection

ABOUT US

Domingo tile is predominant in ceramic industries. Doing Something versatile -“To deliver better than best”. We Constantly endeavour to bring you the best collection of wall & floor tiles that blend with diverse architectural needs by innovation through investing in latest technology make Domingo tiles apart from the rest.

We are located in Morbi, which is the most promising ceramic tiles manufacturing hub of India. The company was established with the objective of delivering the best products in wall & floor tiles, making dream spaces in real world. Now serving over the world. Domingo has an exclusive product range where a customer can get exclusive designs & more choices at one place. Our products lead the market because of exquisite premium designs, High sorted quality standards, premium packaging, advanced automatic production and logistic planning, competitive rate, long-lasting life, and extensive range.

OUR VISION

To become a prominent brand in flooring industry by consistent quality parameters, constant innovations in the field of different designs & surface finishes, maintaining trust by having strict quality standards & readymade system enrich from real world experiences in the business. Using superior design and innovation, teamwork, ethics, and sustainability that satisfy international customer's needs.

OUR MISSION

We will continue to explore a superior products for commercial and residential application through investments in the latest technology and a strong commitment to our customers and the environment.
